MMG Mining, LLC
Mark Carter
3655 Lupin Way
St. George, UT 84790

Gentlemen:

The Director, on April 29, 2005, released CD #13-00133-4 in the amount of \$5,000 which was posted as surety in lieu of a surety bond for operations under ML 46614. A replacement bond has been submitted to and accepted by Division of Oil, Gas, and Mining in the form of LOC #15017544 issued by Village Bank in the amount of \$16,700 for the reclamation of the lands disturbed under this lease..

I trust this information will be sufficient for your needs.

Yours very truly,

BECKY PRITCHETT

RENEWAL OF ML 48479-MP (SCH)

The above-numbered permit for building stone was approved by the Director April 5, 2000, for a five-year term commencing May 1, 2000, and expiring April 30, 2005. The Permittee, William Bown, Bonneville Quarries, Inc., 842 West 400 North, Bountiful, UT 84087, is producing building stone in commercial quantities from the permitted lands and desires to renew the permit for another term of five years. Rentals and royalties paid under the permit are favorable to the Trust. The permit should be renewed with the same terms and conditions for a new five-year term commencing May 1, 2005, and expiring April 30, 2010.

Upon recommendation of Mr. Blake, the Director approved the renewal of ML 48479-MP.

RENEWAL OF ML 49305-MP (SCH)

The above-numbered permit for building stone was approved by the Director on April 9, 2004, for a one-year term commencing May 1, 2004, and expiring April 30, 2005. The Permittee, Allen Feller, 708 East 1100 South, St. George, UT 84790, is preparing to produce building stone in commercial quantities from the permitted lands and desires to renew the permit for another term of one year. Rentals and royalties paid under the permit are favorable to the Trust. The permit should be renewed with the same terms and conditions for a new one-year term commencing May 1, 2005, and expiring April 30, 2006.

Upon recommendation of Mr. Blake, the Director approved the renewal of ML 49305-MP.
